PWS TEMPLATE OBJECTIVES

- Provide consistency in scope
- Reflect the process defined in the MR-QAPP
- Simplify development of a PWS
- Simplify proposal development
- Help us meet our goal of RI to DD within 5 years
- Provide flexibility to handle uncertainty and reduce cost risk
CONTRACT FLEXIBILITY
Figure 9-1. Example Project Planning Process for a Phased RI/FS

**Participants**
- Lead Agency
- Regulators

**Activity**
- Planning Session #1
  - Define Overall Objectives
  - Gather and Evaluate Available Data
- Planning Session #2
  - Determine Data Needs and Intended Uses
- Select Contractor

**QAPP Outputs**
- WS #10 - Preliminary CSM
- DQO Steps 1 and 2
- DQO Steps 3 and 4

- RIFS Density

WHAT?
CAMP BRECKINRIDGE
Feasibility Study: +30%/-50%
Remedial Action: +/- 10%
OBJECTIVES

- Provide consistency in scope
- Implement the MR-QAPP,
- Standardize our PWS
- Plan for uncertainty
- Improve our cost estimates
- Perform remedial designs
Thank you.
